

November 7, 2022

Reenergized, exciting programming is the perfect phrase to describe the Ridgway Public Library as it comes back to life! In case you haven't been to the library recently, we are pleased to share that the second half of 2022 has seen a very welcome return to the library's well-loved programs. Both Craft Time and Story Time are being held twice a week and the LEGO Club is also back. The Teen Library Café is hosted weekly in the Activity Room. As for the ongoing art shows, Art Opening Receptions are held every other month, with the next one scheduled for November 12, 2022. The Seed Lending Library continues to grow, as does the Children's Garden, which has recently sprouted a Little Library for sharing children's books.

Children's Garden Little Library

Craft Time at the Library

Story Time with Ms. Kelli

As you finalize your 2022 giving choices, please consider supporting the Friend's Annual Fund so that the incredible staff can continue to offer the programming that our community's children, teens and adults have come to love. You can donate using the enclosed card and envelope or at our website, www.friendsofridgwaylibrary.org/donate.

With gratitude,
Friends of Ridgway Library
